## FOREWORD

Our school, Walker County High, proudly stands as an institution of investment in the future of youth; her classrooms filled with students; her corridors echoing with chatter about homecoming, senior portraits, ball games, banquets, or Saturday's dates. Attendance at Walker is an unforgettable experience of spirited activity, which the yearbook staff have attempted to preserve in this 1966 *Black Gold*.

Each one at Walker High has had a part in making this year's record a memorable one. We would like to express our appreciation and recognition to all who contributed to the production of this volume.

The yearbook staff, who are to depart as graduates of 1966, sincerely hope that this issue of the *Black Gold* will be a cherished memento of a happy year at Walker County High School.

Enjoy the *Black Gold*. It was ours for almost a year. Now it BELONGS TO YOU.

Sincerely,

*Stephen Barnett*  
*Sally Brotherton*  
*Charlotte Gum*  
*Steve Weddle*

# AUTOGRAPHS

Gerald,

Boy have we pulled off some wild ones in the past. Remember those dear D.O. Dances. If the school knew all we had done they would Rosst both of us. Lots of Luck Words!

(PS)  
Stay Subor  
while you're not  
having fun.

# AUTOGRAPHS

Gerald, I could write a book about you but it would all be censored.

Remember all the fun we're had in psychology I can't say one thing I haven't ever had a class like this. By the way Colt 45 have you ever drank we're men then malt liquor?

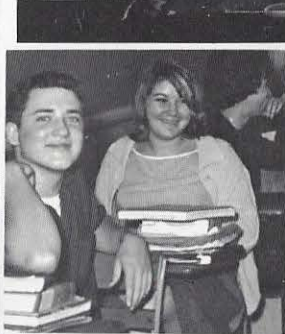

Little wet  
Macassin,  
Sandra

P.S. Roast!  
Oh Yeah!

Gerald,  
 Time is drawing nigh. For two reasons. First, we gonna win that d--- governor's race. Secondly we're gettin' out of prison (WCHS cell no. 16). You think we've raised Cain this far, if Carl wins that governor's race man we're going to tear Jasper apart. Best of luck always.

Donny

Gerald,

I hope you get everything you want, cause with that warped mind, you'll need plenty of luck. Really, I have enjoyed having Psychology with you. Good Luck,  
 Linda
