Foreword

This is Walker County High School and the students entering are her staff of life. Proudly she stands overlooking Jasper; her classrooms filled with students eager to learn; her teachers prepared to meet the challenges of the day; her halls echoing with clatter about Homecoming, Mrs. Show's English test, basketball games, and Saturday night's date. A year at Walker is a composite of activities full of school spirit. It is this spirit which our 1969 BLACK GOLD has tried to preserve. The finished picture describes an education that prepares us to face problems posed by our modern world.

Dedication

To a man who lives before us in a silent manner but has set a wonderful example to all who have been under his leadership or in association with him in any way . . . To one whose qualities of friendliness, loyalty, and sportsmanship have won a place of high respect, deep admiration, and warm affection among both the student body and the faculty. With deep appreciation for his service to us as a teacher, friend and counselor, and leader in school spirit, we dedicate this, the 1969 Black Gold, to Coach Herbert Greene.

In Memoriam

Glenn Harvey Cooper

Fast as the rolling seasons bring
The hour of fate to those we love,
Each pearl that leaves the broken string
Is set in Friendship's crown above.
As narrower grows the earthly chain,
The circle widens in the sky;
These are our treasures that remain,
But those are stars that beam on high.
